Band Backers Organization

The Parkway North Viking Band has a very active, supportive parent organization known as the Parkway North Band Backers (PNBB). PNBB is a 501(c)(3) Organization. All parents of band members and color guard are members of the PNBB. Without the hard work and dedication of the parents, the band program at Parkway North could not be as successful and productive as it is. There are numerous areas in which interested parents can be involved in supporting the activities of the band.

STUDENTS MUST HAVE A FORM ON FILE AND PHYSICAL EXAMINATION DONE BY JULY 16, 2021!!!

Once a packet is on file for a student they will be added to the "Coaches List" for the 2021/2022 school year.

Remember that physicals are good for a 2 year cycle. For a physical to be good in the 2021 school year it must be dated AFTER June 2020.

Band Camp will be held at Parkway North High School. Marching rehearsals are typically held in the stadium. While July and August temperatures can be high in our area, student safety is paramount for all of us. Our Band Directors refer daily to weather forecasts and will move rehearsals indoors when the temperature and/or heat index gets extreme.

Students must be ready to **start** practicing at the scheduled start time. They are required to be at their designated practice field or room with instruments or guard equipment in hand **at the scheduled start time**. Wear comfortable clothing appropriate for physical activity outdoors (tennis shoes, knit athletic shorts/pants, etc).

SECTION 3: UNIFORMS, CONCERT DRESS & SPIRIT WEAR

Marching Uniforms

The band will provide the marching band uniform, which will include jacket, bibs, hat, plume, gloves, and gauntlets. The student will need to have tall black socks and marching shoes. If you are a returning band member, and your shoes are in “good” condition, you do not need to purchase new shoes. All incoming freshmen will be provided a Parkway North Band Polo and Marching Band Shoes. Make sure you know your shoe size before you come to band camp. Also, if you are a returning student, please make sure your shoes fit and are in good condition.

How to Wear your Uniform

- **THE UNIFORM MUST BE WORN COMPLETELY AT ALL TIMES.**
- Pants are worn above the waist with suspenders adjusted properly.
 - Pants cuffs should “break” at the top of the shoes. Do not let your pant cuff drag on the ground. Keep your suspenders on your shoulders; don’t let your pants sag or drag.
- Hats are to be worn forward with long hair neatly tucked up inside.
- Hats should be kept in the hat box when not being worn.
- No other hats may be worn with the uniform.
- When you leave the band room, car, etc., always be in full uniform.
- At times you will be allowed to take gloves and hats off, do not lose them. Keep your uniform zipped at all times and sash attached with Velcro.
- No jeans or sweats are to be worn under the uniform. Marchers wear shorts under the uniform with a black t-shirt.
- Wear solid colored TALL black socks! There will be sock checks.
- Keep your shoes polished.
- No jewelry that is visible may be worn. (No piercings w/jewelry of any kind.)
- Following every performance neatly hang up your uniform in the uniform bag provided. The band will pay to have your uniform cleaned at the end of the season. You are responsible to have your uniform cleaned if it is necessary before then.
- Make sure you have all your uniform parts and that they are hung up in your uniform bag.
- You will be required to sign out and take financial responsibility for all parts of your uniform. Failure to wear, maintain and return your uniform (all parts) promptly will result in a grade reduction and/or replacement costs.

In addition to the marching band uniform, each student will receive a Show T-Shirt. Additional Show Shirts can be ordered for other family members.

Marching Band Uniforms must be returned after the end of the marching season. You will be notified when the uniforms are due back.

Concert Dress

Before the winter concert, in early December, both the Symphonic and Concert Band will be required to have the following attire:

- Women – Black Dress or Black Skirt with White Blouse. No color or prints. Black Shoes.
- Men – will be issued black tuxedo, including a black cummerbund. Men will be required to purchase a white tux shirt. These can be purchased at a tuxedo store. In addition, men will be required to purchase cufflinks, button studs and black bow ties. These are also available at a tuxedo store or can be purchased from Mr. LaRose.

If your student participates in Jazz Band, men will need black pants, black shirt and a purple tie. Women will wear all black dress pants/blouse w/tie. Jazz performances typically take place during the second semester of the school year.

Summer Uniforms

Summer uniforms will be worn when the temperatures outside are unsafe to wear our regular uniforms. The summer uniform consists of your band purple polo, khaki shorts and tennis shoes.

Spirit Wear

Please support the Band by wearing Parkway North Marching Band Apparel at sporting events, band competitions and other school activities. We are planning on placing three orders for these items. The first order will be placed right after band camp, hoping to have the items delivered before the first competition. The second order will be placed in mid-fall. This is a great time to order hoodies for those cool fall morning rehearsals. The last order will be placed in early November, so that the items will be delivered before the holiday season. Please note that after the first order, there will be a minimum number of orders needed before a surcharge is placed on the individual item.

SECTION 4: FOOTBALL GAMES & BASKETBALL GAMES

Football Games

The Marching Band performs pep band music in the stands during the 1st, 2nd, & 4th quarter of the game. During halftime, the band performs their competition show. After halftime, band parents serve snacks to the students in the Band Room. **We need numerous parent volunteers during football games. It's a lot of fun! Volunteer by signing the sign-up sheets or contact the chairperson listed in Section 1.**

Guidelines

- Your attendance is required for warm up, pre-game and during the game.
- Don't forget.....we are at the game to entertain and support our team. The band stays until the end of each game.
- Stay focused on the game and CHEER!!!
- When it is time to play, be ready with your music and attention.
- Stay in your seat in sections.
- Your friends outside the band are not invited to sit with the band or in the aisles.
- Following half-time, you will have the 3rd quarter off for a snack, water and bathroom break. We will resume playing at the end of the 3rd quarter. Be in your seat and ready to play. Attendance will be taken.
- Be in full uniform at all times.
- Following the game, make sure all equipment is put away, and take all of your uniform home. Make sure the band room is picked up and clean.
- Uniforms/instruments/equipment not stored or maintained properly will result in grade penalties. Poor participation on the field or the stands will also result in grade penalties.
- Make all hair, nail, etc. appointments for homecoming after 4:00 PM. You will not be released early for this. Make your appointments early so there will be no conflicts.

Basketball Games

The Viking Pep Band performs music in the stands during select basketball games. Most band students are required to play at games before winter break and after winter break. Students should be in the band room 45 minutes before the game starting time. Details will be announced after the Marching Band Season.

SECTION 5: MARCHING BAND COMPETITIONS & PERFORMANCES & REALLY IMPORTANT DATES

Band competitions are the payoff for hard work during band camp and practices. Band competitions are typically all day events from early morning through late evening. The day starts with rehearsal, loading all equipment, props, and instruments on trailers (under the direction of pit crew parents). Students travel by bus to the competition site. They then unload, practice, and perform their show in front of large crowds. After performing and reloading the trailers, students stay at the competition to watch other bands, and attend the awards ceremony. Some competitions involve two rounds of performances. Only the top bands make “finals” and perform their show a second time. Students then ride buses home and are expected to help unload the trailers at the end of the day.

Band and its activities are an extension of school; therefore, ALL SCHOOL RULES APPLY 24 HOURS A DAY. **REMEMBER** -- YOU REPRESENT YOUR SCHOOL, YOUR DIRECTORS, YOUR PARENTS AND MOST IMPORTANTLY -- YOURSELF!

Parent Volunteers for Competitions

Of course, we need many parent volunteers to make competition days successful (going to a competition has been compared to taking a Broadway musical on the road)! Many of the volunteer jobs are similar to those needed at football games. Please note that parents and parent helpers will need to provide their own transportation to and from the competitions, although we try to carpool as much as possible. Examples of competition specific volunteer jobs are:

- **Drivers for Enclosed Trailer and Open Trailer** – We are looking for parents who have trucks to pull the enclosed trailer and open trailer to the competition site, and back to Parkway North at the end of the day. Please contact someone in the Pit Crew for specifics.
- **Percussion Equipment-Pit Crew Helpers** - Load percussion equipment onto carts and trailers. One person is needed to drive the gator, towing our trailer, on and off the competition field. The pit crew is responsible to move percussion equipment into position before the show starts and to remove the equipment immediately after the show concludes. Time is of the essence – we do not want time penalties!
- **Snacks** –At competitions, set-up tables and organize food donations. Serve food, and help clean up afterward. Pack up remaining food to be taken on the bus.
- **Uniforms:** During warm-up at the competition site, make certain uniforms are to standard and assist with plume placement/removal.

SECTION 7 - MARCHING BAND FEES, DROP POLICY, & FINANCIAL ASSISTANCE

The PNBB Organization consists of band parents who volunteer their time on behalf of the students and staff, to ensure a quality band program and to assist in providing items that the Parkway School District does not provide. The PNBB Organization recognizes that there are times when finances are extremely difficult for some families and that the band fees may prove to be overwhelming. If you find yourself in this situation, **PLEASE** contact Mr. LaRose or our treasurer, Liz Finley, so that something might be worked out. There are band scholarships available and kept confidential. Please see Section 8. The band fees are not intended to be punitive, but are necessary for the program to function.

Marching Band Fees are \$350 for the 2021 season. A \$50.00 deposit is required before June 3, 2021. The remaining balance can be paid one of two ways:

1. Pay \$50 deposit by June 3, 2021, then pay \$300 by August 2, 2021
2. Pay \$50 deposit by June 3, 2021, then use this payment plan: \$100 on 8/2/21, \$100 on 9/6/21 and \$100 on 10/4/21.

Band Payments: Our preferred method of payment is using Venmo. Our Venmo user account name is @parkway-north-band-backers . Otherwise you may make checks out to Parkway North Band Backers (PNBB). We are phasing out of using PayPal after this year but it is also still available. Please indicate in the memo section your student's name and what fees are being paid. ****Please note that convenience fees of 3% should be added for PayPal payments NOT for Venmo payments.

There is a \$10.00 convenience fee for a total of \$360.00 if you use PayPal. No additional fee for Venmo

Should a student drop after August 2, 2021, the \$350 Marching Band fee is still due. The PNBB enters into contracts with vendors and ancillary staff based on the number of students who enrolled in marching band.

If you are a returning band member, and your shoes are in "good" condition, you do not need to purchase new shoes. Returning members who have shoes that are too small may make an even exchange for another pair of used shoes, if their size is available.

No student Marching Band Fees will be refunded.
