

Parkway North Band Memphis Spring Trip April 26-28 2019

Commitment Letter

Dear Parent/Guardians and Student,

An initial commitment fee for the trip is \$100.00. After final administration approval this is **non refundable**. The total per person package plan cost is **approximately \$400.00**. The final payment will be calculated and communicated before the final payment based upon total amount of students going. The payment schedule as follows:

\$100.00	Nov. 20, 2018 (cash or check only payment)
\$100.00	Dec. 21, 2018
\$100.00	Jan. 31, 2019
Final Balance	Feb. 28, 2019

*All payments are made to the school bookstore, credit card payments are accepted after the first payment is made.

Eligible students

All students are eligible to go but must be enrolled in a band class. All students are welcome to go that have maintained an S or O in citizenship and a current C or above grade.

Consequence of Not Meeting The Payment Schedule:

The total trip cost is based upon the number of students that commit to the trip. It is imperative that students honor the commitment of the trip as to not impact total trip cost. Students who make late payments can be assessed late fees. Trip cancellations will have incremental refunds based upon the timing of the cancellation through the tour company. More details about this process can be explained by contacting the band director or tour company.

**Return this portion with the \$100.00 Deposit
